EXPERIENCE

ASSOCIATE SOFTWARE DEVELOPER | 10/2024 - 10/2025

M&S Software India Pvt. Ltd. - Chennai

- **Legacy AdeNet Migration:** Migrated legacy Ade.NET (.ascx) modules into modern Blazor-compatible templates using Text Control Editor, improving maintainability and reducing manual updates.
- **AdeNet & C#:** Developed UI components, configured data sources using C# & Ade.NET, and translated business requirements into scalable technical solutions.
- **Feature Enhancement:** Enhanced features and implemented message migration across multiple components, ensuring consistency within the AdeNet ecosystem.
- **Docker Swarm:** Monitored and maintained Docker Swarm, ensuring system performance, uptime, and stability.
- **Company Portal Development:** Developed a company portal using AdeNet and wrote JavaScript unit tests with Jasmine.js to improve code readability. Collaborated with teams to understand business needs, deliver solutions on time, and participate in peer code reviews.

PROJECT TRAINEE | 07/2024 - 09/2024

M&S Software India Pvt. Ltd. - Chennai

- Developed responsive web pages using ASP.NET,ADO.NET,HTML,CSS,JavaScript, aligned with business requirements.
- Assisted in backend logic integration using C# and ADO.NET.

INTERNSHIP | 02/2024 - 04/2024

M&S Software India Pvt. Ltd. - Chennai

- Learned and implemented HTML, CSS, JavaScript, C#, and SQL Server in real-world scenarios.
- Built internal web pages for M&S and applied UI styling for improved user experience.
